In February 1956, The Toronto Telegram sponsored a Spelling Bee for all Grades 7 and 8 pupils in Ontario. Eva Perry and Bill Shaw were selected by their teacher, Mrs. De Wolfe, to attend the try-out in Lansdowne's Victoria School. Even though the children were not winners, they enjoyed the experience.

Again in 1957, Mrs. De Wolfe took Gloria Perry and Winston Liddell to Lansdowne for their Spelling Bee.

Education Fair - March 1958 - was climaxed with an Open House Tea and programme put on by the pupils. Most of the parents were in attendance to watch two square dances, a folk dance, (Loby Lou), a Debate. (Resolved to prove that the City Child has more Advantages than the Country Child) - the negative side was victorious - and a Rhythm Band in which they used the Instruments they had made themselves. They sang and played "All the Nice Girls Love a Sailor" and "Chantey".

The afternoon was brought to a close with the children serving their parents a cup of tea and cookies.

Mrs. Ernie Griffin donated a beautiful St. Patrick's Cake on which tickets were sold. Two dollars and fifty cents was added to the Junior Red Cross Treasury. The cake was won by David De Wolfe.
